

**Whereas**, the members of the Missouri House of Representatives welcome the opportunity to applaud the achievements of a business enterprise which has brought considerable honor and recognition to the entire Show-Me State: the Nordyne heating and cooling equipment manufacturer in Tipton; and

**Whereas**, the employees of the Nordyne-Tipton plant recently attained a rare measure of distinction when they reached the five year point in their quest for no lost time injuries as a heating and cooling equipment manufacturing facility; and

**Whereas**, this impressive achievement was the result of excellent safety performance by the employees of the Nordyne-Tipton plant, which falls within the Standard Industrial Classification (SIC) code 3585; and

**Whereas**, headquartered in St. Louis, Missouri, Nordyne has been an esteemed employer in the Tipton area for a number of years, during which time the local plant has demonstrated steady growth; and

**Whereas**, Nordyne employees at Tipton have worked for five years without lost time due to a work-related injury or illness while producing a range of top-quality products, including manufactured housing furnaces and related accessories; and

**Whereas**, the Nordyne-Tipton employees will be formally honored for their safety record during a special celebration to be held at the facility during the fall of 2003; and

**Whereas**, the Nordyne-Tipton plant's outstanding record of success reflects upon a broad level of commitment to worker safety throughout the Nordyne company, which also operates manufacturing plants in St. Louis, Poplar Bluff, and Boonville, and a mixing and distribution center in St. Peters:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously in commending and applauding all the dedicated officers, managers, and employees of the Nordyne manufacturing plant in Tipton for their admirable efforts which have made their workplace a model of excellence for manufacturing facilities in the nation, and further extend to each of them our very best wishes for continued success; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Nordyne heating and cooling equipment manufacturer of Tipton, Missouri.
